**Re: Bethany College
Case 14-CA-201546 and 14-CA-201584**

Dear Mr. Goheen,

The Respondent's request for an extension of time to file an answering brief in the above cases is **denied**. Section 102.11(b) of the Board's Rules and Regulations specifies that "requests for extensions of time filed within three days of the due date must be grounded upon circumstances not reasonably foreseeable in advance." As noted above, your request for an extension was filed on February 20, 2019, the due date for the answering brief. Further, this Office was unable to evaluate the exact circumstances that you contend were not reasonably foreseeable as the details of those circumstances were not provided. Accordingly, based on the requirements of Section 102.11(b) of the Board's Rules, I am unable to grant the extension request you seek.
